

## Questionnaire form for FabLab users

This questionnaire aims to gather information about the FabLab user's/learners' profiles to improve their learning experience. The questionnaire was prepared within the "FABLABS – new technologies in adult education" project (Strategic Partnerships in Adult Education). The project is supported by the Erasmus+ Programme of the European Union.

### 1. What is your professional status?

- a student / a pupil
- an employee
- an employer
- freelance / independent
- in search / in transition
- other situation

### 2. What is your age?

- under 18
- 18-30
- 31-40
- 41-50
- 51-60
- over 60

### 3. For how long have you been a FabLab user?

- this is my first visit
- a few weeks
- a few months
- more than two years
- other – please specify:

Comment:

### 4. What is the main reason you come to the FabLab?

	strongly agree	somewhat agree	somewhat disagree	strongly disagree
to learn something new				
to make something new				
to learn through making				
to work on an ongoing prototype				
to socialize with other makers				

Comment:

### 5. On average how much time do you spend in FabLab in the past month?

- less than 2h per month
- less than 2h per week
- 2h-10h per week
- more than 10h per week

Comment:

**6. In the FabLab I learn most by:**

	<b>strongly agree</b>	<b>somewhat agree</b>	<b>somewhat disagree</b>	<b>strongly disagree</b>
attending workshops with a planned maker project				
gathering information and then do it myself				
working through the teaching materials FabLab has to offer				
attending open hours where I work on my projects with others				
teaching and supporting others with unexpected problems				
attending a course with a skilled teacher				

Comment:

**7. To me, a FabLab is mainly:**

- a place of political expression / action
- a high-tech playground
- a workshop
- a concept place
- a learning environment
- a community of like-minded people

Comment:

**8. How would you identify yourself in the FabLab?**

- as a maker
- as a learner
- as an entrepreneur

Comment:

**9. How would you describe your FabLab skills?**

- I am a novice
- I know where to start but quickly need support
- I can start working independently and can figure things out
- I am highly skilled and can easily support others
- I am a professional in engineering or related fields

Comment:

**10. What are your experiences with learning activities outside the scholar/academic system, such as training/workshops/MOOCs?**

- I often participate in the learning of this sort
- I occasionally participate in the learning of this sort
- I never participate in the learning of this sort
- I am a teacher/trainer/educator myself
- other:
